Dear Sirs:

I know you have been waiting for a reply to your letter regarding expenses for training here. I have been making some investigations. training schedule that will be worth something to you. The Millers have already started training on the Park. It is in perfect condition and will be kept that way right on through your training period. As far as having a place for the men you send in advance to work out, that can be taken care of very easily.

I shall be glad to hear from you right away.

Yours truly
Dr. J. L. Slack
